Instructions for Completing the Illinois Denial of Parentage

PURPOSE: The Denial of Parentage (Denial) is signed by the Birth Parent and their Spouse (spouse or former spouse) if they are or were married (or in a civil union) when this child was born, or within 300 days before this child was born, and the Spouse is not the Parent (genetic or intended) of this child. The Denial, along with a valid Voluntary Acknowledgment of Parentage (VAP) signed by the Birth Parent and Parent (genetic or intended) must be witnessed and filed with the Illinois Department of Healthcare and Family Services (HFS).

A Denial and VAP may be completed after you leave the hospital, and the Denial and VAP may also be completed for a child born in another state. **Forms that contain errors will be rejected. If rejected, parentage is not established and the Parent's name will not be placed on the birth certificate.**

YOUR RIGHTS AND RESPONSIBILITIES

I understand that:

- the Denial is a legal document and is valid when signed, witnessed, and filed with HFS along with a valid VAP that is signed, witnessed, and filed with HFS. A valid Denial and VAP are the same as a court order of the non-parentage of the Spouse and discharges the Spouse from all rights and duties of a parent.
- the Birth Parent and the Spouse must sign and file the Denial with HFS and that the Birth Parent and Parent (genetic or intended) must sign and file the VAP with HFS to establish legal parentage and place the Parent's name on the child's birth certificate. The Parent becomes the legal parent of the child for all purposes.
- if the Birth Parent and the Spouse do not sign and file the Denial with HFS and the Birth Parent and Parent (genetic or intended) do not sign and file the VAP with HFS, the Spouse, by law, is the legal parent and their name must be placed on the child's birth certificate.
- either the Birth Parent or Spouse may rescind (withdraw) the action of the Denial, or the Birth Parent or Parent may rescind (withdraw) the action of the VAP, by signing and filing a Rescission of Illinois Voluntary Acknowledgment of Parentage or Rescission of Denial of Parentage (Rescission). The Rescission must be signed, witnessed, and filed with HFS within 60 days from the effective date of the VAP/Denial or the date of a proceeding relating to this child, whichever occurs earlier. Upon HFS's verification of the Rescission, the Spouse is legally responsible for support of the child.

INSTRUCTIONS – USE BLACK OR BLUE INK

1. Each person must sign and date all forms in front of a witness (age 18 or older and not a person or child named on the form) and submit the completed, official document to HFS.

3. If the Denial and VAP are not completed at the hospital, each person must sign and date the appropriate form in front of a witness (age 18 or older and not a person or child named on the form) and submit the completed, official document to HFS.
4. The Spouse and the Birth Parent must sign the Denial, and the Birth Parent and Parent (genetic or intended) must sign the VAP to establish legal parentage for the Parent and child and place the Parent's name on the birth certificate. **If the Spouse and the Birth Parent do not sign the Denial, the Spouse is the legal parent of the child and that person's name, by law, must be placed on the birth certificate.**
